Dear Sir.

A man in N.D. Prison knows who killed boy in Wab Lake, Minn., Saturday evening April 3, 1976. They were devil cult. He is a preacher named Bob Warner, and is a xorcist. They devil people lie about him so he go to prison because he know them, and they killed Jim who told him preacher who them people are.

Them people killed that woman in Nechesky, cut out her baby and eat it. That was in October, 1976, and they cut her up and put her in a bags in the ground. They kill 7 people and want to kill Bob Warner because he knows them and tried to kill his mother.
